**MINISTRY CALLING:**

Hey Benji Foundation

**BACKGROUND:**

Barbara studied communications and media at DePaul University and has worked in the customer service and hospitality industry for over 10 years. While pregnant in 2018, God showed her that it was time to turn her passion for giving back to the community where she grew up in into an organization. It was always a goal of Barbara's to grow her outreach and God began to lead her in that direction. The organization is named after her son so people will know the mission is to serve children, and be a reminder to her son to always give back to the community.

**1 Peter 4:10**

*Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.*
