

EILEEN *Cruz*

MINISTRY LEADER:

Eileen Cruz

MINISTRY CALLING:

Hope Looks Like You Ministry

BACKGROUND:

Eileen grew up in a home where she was both physically and emotionally abused by her father. Since she was a little girl, Eileen has always wanted to help people. By the grace of God, when she was older she began her emotional healing journey. Healing from past hurts, she began to write books to help young girls heal from their trauma. Hope Looks like You Ministry has created a safe space for young people to uncover feelings, strengthen their voices and allow healing to begin.

PRAYER REQUESTS:

- That God would open opportunities to reach more young people.
- That the ministry would expand and that they would be blessed financially in order to serve more young people.
- Prayer for the girls that are currently in the book club, that they would heal and have opportunity to receive and share God's love.

OUR VALUES:
